HQ MOVE UPDATE

OUR LAST DAY OF BUSINESS AT THE DOUGLASVILLE HEADQUARTERS WAS FRIDAY, JAN. 29. THE DRIVE-THRU AT OUR NEW PAULDING COUNTY HEADQUARTERS OPENED ON MONDAY, FEB. 1. AS WE MAKE THIS TRANSITION, WE ARE EXCITED FOR WHAT THE FUTURE HOLDS.

THE GREYSTONE MARKETPLACE

Over the years you have probably read or heard how saving energy, saves money. It is information we often share at GreyStone Power.

During a time of financial uncertainty for many, it is important to give members all the tools we can to help them meet their energy-saving needs. We also know everyone has different energy efficiency goals and desires. The GreyStone Marketplace is where members can find items to help conserve energy the way that fits them best.

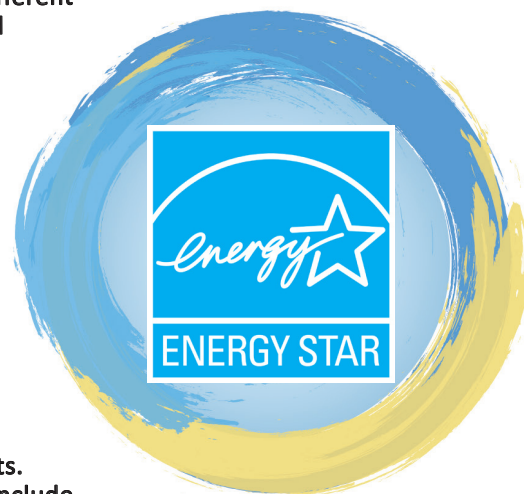

As an online store that facilitates the purchase of energy-efficient products, the GreyStone Marketplace allows you to receive discounts and instant rebates for certain products. Items in the Marketplace include ENERGY STAR-rated smart thermostats, lightbulbs, smart home products and water-saving devices such as low-flow showerheads.

Members can save even more March 17-23, with a special 75% off water savers for World Water Day.

"The GreyStone Marketplace gives members the ability to actively affect their energy use by purchasing energy-efficient items at a reduced price," says Drew Hook, manager of energy services.

Products can be purchased directly from the Marketplace website and be shipped directly to members' homes. Certain items sold in the Marketplace to our residential members will be available for instant rebates. Some stipulations may apply.
