AIR FILTERS

TIRED OF THE HASSLE OF PURCHASING AIR FILTERS AT THE STORE? HAVE THEM DELIVERED STRAIGHT TO YOUR HOME WITH GREYSTONE'S FILTEREASY PROGRAM. RECEIVE THE FIRST ONE FREE! LEARN MORE AT GREYSTONEPOWER.COM.

LICENSE PLATE TRIBUTE

Georgians can show support and appreciation for GreyStone Power linemen and other utility line crews by purchasing the state's first Thank a Lineman vehicle license plate.

For the vital work linemen perform in extraordinary circumstances like Tropical Storm Irma, Winter Storm Benji, and for their commitment every day, House Bill 260 was sponsored in the Georgia House of Representatives by Rep. Alan Powell (R-Hartwell) and carried in the Senate by Sen. Steve Gooch (R-Dahlonega) to offer a specialty license plate honoring Georgia's electric utility line workers. Gov. Nathan Deal signed it into law in May.

Proceeds benefit the Southeastern Firefighters Burn Foundation (SFBF), which provides assistance to burn patients and their families at the Joseph M. Still Burn Center at Doctors Hospital in Augusta. Burns are some of the most common injuries in line work.

The SFBF provides burn patient families respite at the Jeffrey Vaden Chavis House, as well as meals and transportation. After patients are discharged, the SFBF helps with prescriptions, anti-scarring garments and follow-up doctor visit transportation.

Visit www.sbf.net/License-Plate to purchase a license plate. For the first 1,000 plates, the one-time \$25 specialty plate manufacturing fee will be waived by the Georgia Department of Revenue Motor Vehicles Division in return for a \$25 minimum donation to the SFBF.

The act also provides that \$10 of the Georgia Department of Revenue's \$35 annual specialty tag fee for Thank a Lineman license plates be contributed to SFBF annually, as long as the specialty plate is renewed.
