BOARD ELECTIONS

Three seats on the GreyStone Board of Directors are up for election in 2022. The winners will be announced Saturday, Oct. 8, at the Annual Meeting of Members.

Eligible members may become a candidate by being selected by the GreyStone Nominating Committee or by nomination by petition of members. Directors seeking re-election this year are David Hagenow in District 3 and Billy Mayhew in District 5. The board solicited candidates to apply to fill an upcoming vacancy in District 9. Director Lucy Andres plans to retire from the board when her term ends on Oct. 8.

The deadline has passed to be nominated by the Nominating Committee, but eligible members may still run by petition. An eligible member may be nominated by submitting a petition signed by 50 or more GreyStone members of record (the name must appear on the electric bill). The petition, along with a Candidate Affidavit, must be submitted by Thursday, June 30. Forms for petition and affidavit can be found at greystonepower.com/board-elections.

All nominees are subject to a criminal and financial background check, must live within the geographic boundary of the district they seek to represent and must meet all other conditions of eligibility.

Candidates desiring to have their name and biographical information included in the Annual Meeting ballot edition of *Georgia Magazine* must submit information in the format and manner required by the Credentials and Elections Committee by Thursday, June 30. If you are unable to determine the district in which you reside, or need additional information, call GreyStone's independent legal counsel, Steve Minor, at 770-214-5108.

EM POWERING OUR COMMUNITIES

Your cooperative offers much more than reliable, affordable electricity. We help local students learn to be careful around electricity using a demonstration called Safety City.

Using our portable safety trailer setup, linemen demonstrate real-life scenarios of electrical hazards to first responders.

GreyStone Power cares about YOUR safety. Visit greystonepower.com/safety today for helpful lifesaving tips.

Your cooperative is going beyond energizing local communities.
WE'RE EMPOWERING THEM.
