GREYSTONE
POWER CORPORATION

An Electric Membership Corporation

BOARD *Elections*

THOSE WISHING TO RUN FOR THE GREYSTONE POWER BOARD OF DIRECTORS BY PETITION OF MEMBERS MUST COMPLETE THE CANDIDATE AFFIDAVIT AND NOMINATION BY PETITION FORM AND RETURN BOTH TO GREYSTONE BY JUNE 30. VISIT GREYSTONEPOWER.COM FOR MORE INFORMATION.

LOWEST PRICE

HAVE YOU HEARD THE NEWS? GREYSTONE IS THE LOWEST-PRICED ELECTRIC UTILITY IN THE STATE FOR 1,000 KWH, ACCORDING TO THE PUBLIC SERVICE COMMISSION'S WINTER RATE SURVEY. VISIT PSC.GA.GOV FOR MORE DETAILS.

MEMBER CARE

At GreyStone, we are member-owned. That brings a different level of satisfaction for consumers and care for those we serve.

Instead of focusing on profits and shareholders, your electric cooperative is resolute in providing the best service at the lowest price possible, or as we like to put it, making life better. We also give back our margins each year in the form of capital credits.

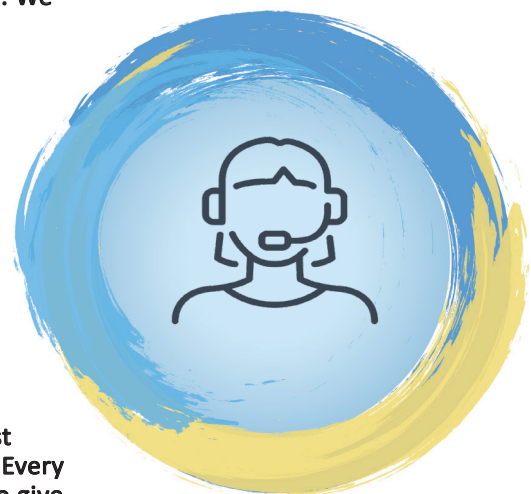

Member care comes in different forms. If you have spoken with one of our knowledgeable member services representatives, you know they go above and beyond for you.

Another way we serve you is by providing a robust and user-friendly website. Every tab and page is designed to give the information you need, all while flowing smoothly. As a member, you can also take advantage of our payment app.

For those times that a phone call, email or the website are not what you need, you can come to our headquarters. This new facility in Paulding County is strategically located in the middle of our service area.

With just over 270 employees serving more than 124,000 members, you can be assured that every day we come to work to provide the best care possible for our members.

Add all this with being the lowest-priced electric utility in the state for 1,000 kWh, according to the Public Service Commission's winter rate survey. Now that is making life better.
