AWARDS CEREMONY

GREYSTONE POWER WAS NAMED THE BUSINESS PARTNER OF THE YEAR IN PARTNERSHIP WITH THE PAULDING COLLEGE AND CAREER ACADEMY AT AN AWARDS CEREMONY HOSTED BY LT. GOV. GEOFF DUNCAN.

BOARD ELECTIONS

The GreyStone Power Nominating Committee has met and chosen incumbents Genevieve Cole in District 1, Paulding and Bartow counties; Neal Dettmering in District 4, Douglas and Carroll counties; and Jim Johns in District 8, Douglas County, as their nominees for the Board of Directors.

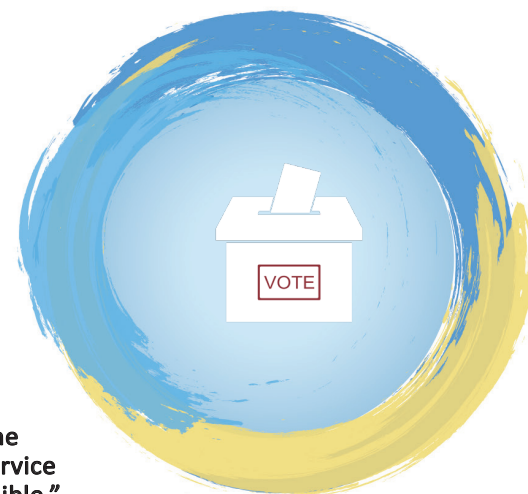

When asked why they would like to serve on the board, the nominees said:

Genevieve Cole: "It has been my pleasure to have been a director of GreyStone Power since 2015 representing District 1. Having lived my entire life except for nine months in GreyStone's service area, I want to continue to be a part of the cooperative's mission in the continuation of reliable service at the very best rates possible."

Neal Dettmering: "I would like to continue to serve on GreyStone's board. My varied experience in the legal field, particularly my past experience as GreyStone's legal counsel and my service on the Georgia EMC Counsel Association, as well as the advisory boards at Oglethorpe, Georgia System Operations and Georgia Transmission Corp., has allowed me to better understand GreyStone's functions and capabilities and make more informed decisions regarding GreyStone's operations."

Jim Johns: "The cooperative has done a lot well in the past – its rates are very low, its member satisfaction scores are exceptional and it just constructed (on time and on budget) an excellent new campus that will serve its needs for many years to come. I want to help the board continue to build on these past successes and continue to exceed our members' expectations."

Members wishing to run for the board by petition must do so by July 1. Visit greystonepower.com for more information.
