**GREYSTONE**  
POWER CORPORATION  
*An Electric Membership Corporation*

## BOARD Elections

THOSE WISHING TO RUN FOR THE GREYSTONE POWER BOARD OF DIRECTORS BY PETITION OF MEMBERS MUST COMPLETE THE CANDIDATE AFFIDAVIT AND NOMINATION BY PETITION FORM AND RETURN BOTH TO GREYSTONE BY JULY 6. VISIT [GREYSTONEPOWER.COM](http://GREYSTONEPOWER.COM) FOR MORE INFORMATION.

## LOW PRICED

DID YOU KNOW THAT GREYSTONE IS ONE OF THE LOWEST-PRICED ELECTRIC UTILITIES IN THE STATE? IN FACT, WE ARE THE THIRD LOWEST-PRICED ELECTRIC MEMBERSHIP CORPORATION (EMC) FOR 1,500 KWH A MONTH. VISIT [PSC.GA.GOV](http://PSC.GA.GOV) TO LEARN MORE.

## SAVE ENERGY, SAVE MONEY

Everyone likes to have more money in their pocket. One way GreyStone works toward that goal is by helping members save on energy costs.

Also, your cooperative has some of the lowest-priced electricity in the state, according to the Public Service Commission's residential rate surveys at [psc.ga.gov](http://psc.ga.gov).

As a member, you can learn energy-saving tips. Visit [greystonepower.com/save-moneyenergy](http://greystonepower.com/save-moneyenergy) to learn about rebates, energy-saving tools and more.

Members save money by saving energy. That is why we launched the GreyStone Power Marketplace.

You can purchase energy-saving items like smart thermostats, LED lightbulbs, showerheads and more at [greystonepowermarketplace.com](http://greystonepowermarketplace.com).

These ENERGY STAR-certified thermostats can save members on their power bills each month. One thermostat, the ecobee, includes enhanced energy savings with intelligent features for comfort when you're in the office or home, and savings when you're away. Ecobee claims it can save up to 23% annually on your heating and cooling costs.

During the summer months, the cost of air conditioning can significantly affect your electric bill. Heating and cooling often represent more than 50% of a home's energy expenses. GreyStone's energy experts recommend a thermostat setting of 78 degrees Fahrenheit during warmer months. Every degree below 78 in the summer can increase your bill 3%-5%.

Saving you money. Now that is making life better.

VISIT US AT [WWW.GREYSTONEPOWER.COM](http://WWW.GREYSTONEPOWER.COM) TO LEARN MORE!

As a GreyStone member, you can get an instant rebate by purchasing a Level 2 EV charger at [greystonepowermarketplace.com](http://greystonepowermarketplace.com).
