

**So you think your home appliances are safe because you use surge protectors?**

Did you know that 75 percent of the damage sustained from power surges enters your computer through your phone line? And what about your central heating and air? Your microwave? Your refrigerator?

**You need GreyStone Powers SurgeMaster Plus program for home protection.**

With SurgeMaster Plus "Three Point" surge protection, not only do we provide protection at your meter, but we also provide surge protectors at your phone connection and cable or satellite-TV connection.

**Surge MasterPlus**

**Yes, I want to enroll in the SurgeMaster Plus program.**

Please have a GreyStone Power representative contact me to complete the necessary paperwork.

*Return this form with your electric bill payment, or mail it to: GreyStone Power SurgeMaster Plus, P.O. Box 897, Douglasville, GA 50155, or call us at 770-570-2070.*

**For \$999 per month and a one-time \$60 installation charge, you're provided with:**

- Whole-house protection, including all electronics and appliances
- Protection for telephones and satellite/cable lines
- State-of-the-art starter kit equipment valued at over \$100 from TESCO, the nation's leading surge protection provider
- TESCO's warranty, should a TESCO device fail to protect your equipment from a surge

**GREYSTONE POWER CORPORATION**  
*An Electric Membership Corporation*

**Are you ready to take action to reduce your energy costs?**

**We're here to help!**

**GREYSTONE POWER CORPORATION**  
*Your Touchstone Energy® Cooperative*

*Having an energy audit does not guarantee lower bills, but our energy specialists can show you how to take action and better manage your energy consumption!*

**Free Residential Energy Audit!**

GreyStone Power offers a residential energy audit for single-family homes at no charge! You, as a member of GreyStone Power, can receive a written report on the following:

- R-value of attic and floor insulation
- Air infiltration issues/thermal envelope
- Window conditions
- HVAC filter condition
- Door conditions
- Air infiltration issues/HVAC and air ducts

**Use this free service to take action and increase the possibility of lower energy bills and improved comfort in your home!**

*To schedule an appointment call GreyStone's Residential Marketing Department at 770-370-2070.*
