April 2021

## GREYSTONE POWER CORPORATION

*An Electric Membership Corporation*

## MAINTAINING *Infrastructure*

GREYSTONE CONTINUOUSLY MAINTAINS OUR INFRASTRUCTURE TO PROVIDE THE RELIABLE POWER THAT YOU HAVE COME TO EXPECT. ONE PIECE THAT PLAYS AN IMPORTANT ROLE IS CLEARING OUR RIGHT-OF-WAY. BY KEEPING VEGETATION AWAY FROM OUR LINES, GREYSTONE IS ABLE TO KEEP OUR POWER QUALITY HIGH AND MITIGATE OUTAGES THAT WOULD OTHERWISE OCCUR.

## SUPPORTING BUSINESSES

GREYSTONE POWER WAS RECENTLY NAMED THE DOUGLAS COUNTY CHAMBER OF COMMERCE LARGE BUSINESS OF THE YEAR. YOUR CO-OP IS ACTIVE IN THE CHAMBERS IN OUR SERVICE AREA AND SUPPORTS THE ECONOMIC DEVELOPMENT GOALS OF THE EIGHT COUNTIES WE SERVE.

## LINEMAN APPRECIATION

An integral part of any electric utility company is the employees who work there. One subset of the employee group who makes receiving electricity possible is the linemen.

Monday, April 12, is the day across the United States that many celebrate Lineman Appreciation Day. GreyStone sets aside Lineman Appreciation Day each year to applaud the expertise and knowledge these men bring to their jobs every day.

Their skills are critical when outages occur, and power restoration is required. GreyStone recently sent linemen to Kentucky to help after the brutal winter storm they experienced. During times of extreme weather events, the sight of a line truck driving down a road is a sight of hope.

"The vital job our linemen take on every day is something that we at GreyStone are proud of. Their commitment to keeping the lights on is commendable, and so we are glad to celebrate Lineman Appreciation Day," says David Johnson, vice president of operations.

Members can help our linemen work safely by keeping an eye out for those working near roadways. Georgia's Move Over Law says motorists traveling in the lane adjacent to the shoulder must move over one lane when possible or reduce the speed of their motor vehicle when approaching a stationary utility or emergency vehicle flashing yellow, amber, white, red or blue lights. Emergency vehicles of all types have been struck while parked beside Georgia highways, even while their emergency lights were flashing.

So, make sure that if you see a lineman this month, you thank them for what they do.

## YOUR CO-OP HAS YOUR BACK

As a not-for-profit cooperative, electric rates are **18%\* less than Georgia Power's in the summer and 11%\* less in winter**. Our members also pay less for electricity than any electric co-op member in Georgia.

\* According to 2020 and 2021 rate surveys by the Georgia Public Service Commission. Based on 1,000 kilowatt-hours monthly residential use.

## KIOSK improvements

Thanks for your patience as we continue to improve our systems for you. Our payment kiosks will now allow you to:

- Accept checks in ALL locations.
- Set up MyPaySite personal account and PIN at kiosk.
- View current balance.
- View past due balance (if applicable).

Visit [greystonepower.com/paymentkiosks](http://greystonepower.com/paymentkiosks) for locations.

## UPGRADE YOUR RIDE WITH A GO ENERGY FINANCIAL AUTO LOAN

**RATES STARTING AT 1.99% APR\***

We offer vehicle financing to get you on the road. Shop smart and confident with a pre-approved loan.

\*Rates expressed as Annual Percentage Rate (APR). Rates are based on creditworthiness and term of loan and are subject to change without notice.

Insured by NCUA
