BOARD ELECTIONS

The GreyStone Power Nominating Committee has met and chosen incumbents John Walton, District 2, Paulding County; Maribeth Wansley, District 6, Fulton, Fayette and Coweta counties; and Milton Jones, District 7, Fulton County, as their nominees for the GreyStone Power Board of Directors.

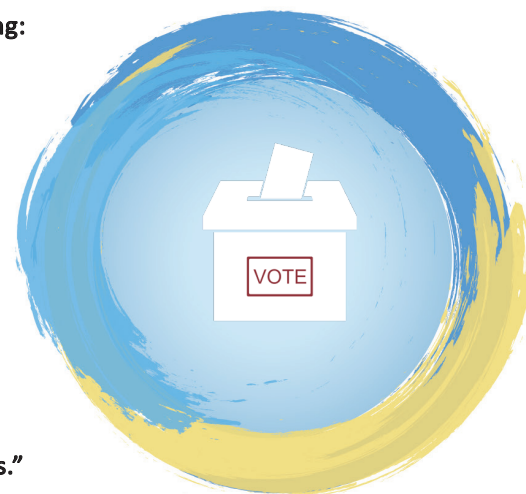

When asked why they would like to serve on the board, the nominees said the following:

John Walton: "It is an honor to represent GreyStone Power members on their Board of Directors. My goal as a board member has been to provide reliable service at competitive rates. I will continue to do all that I can to be sure that this tradition of excellent service at reasonable rates continues."

Maribeth Wansley: "For 15 years I have thoroughly enjoyed representing my district on the GreyStone Board of Directors. Your board works as a team to provide the most reliable service at the best rate. Working with such a group of professionals toward the common good of serving our members is very rewarding."

Milton Jones: "I remain energized by the challenge of providing our members with reliable electric service at a reasonable cost—and not just reliable power, but also resilient and sustainable. As the factors affecting the grid and our power supply keep changing, my experience, knowledge and commitment help me to better serve our members. Working with my fellow directors and management, I look forward to another term of continued service."

Members wishing to run for the board by petition must do so by July 2. Visit greystonepower.com for more information.
