## ANNUAL MEETING OF MEMBERS

On Saturday, Oct. 9, from 8 to 10 a.m., you and your family are invited to join us for our 84th Annual Meeting of Members! Due to the pandemic and an abundance of caution, this year's Annual Meeting will be a drive-thru event. Members will not get out of their vehicles.

"We were looking forward to returning to an in-person event this year, but due to the rise in COVID-19 cases, we felt we had to transition to a drive-thru event," says GreyStone President/CEO Gary Miller.

Those members who register at the Annual Meeting will receive a free gift. To simplify registration, bring your September or October *Georgia Magazine* cover with the QR Code in the label. The member will also receive an email allowing them to show the QR Code digitally during registration. The member (whose name is on the bill) must be present to register.

The event will be at GreyStone's headquarters at 3400 Hiram Douglasville Highway in Hiram, with members entering at Ridge Road. We are excited to welcome members to our new facility in Paulding County.

Formed in 1936, GreyStone Power is celebrating 85 years in business. We have grown from the small co-op once known as the Farmers Electrical Association to one of the largest electric co-ops in the state and nation, which today serves more than 123,000 members in eight counties.

Continue to visit [greystonepower.com](http://greystonepower.com) for updates about the Annual Meeting as we get closer to the event.

## Which costs more?

A fast-food meal or a day's worth of electricity from GreyStone Power?

The average home served by GreyStone Power uses **\$4.05 a day\*** worth of electricity. Compare that to your next fast-food purchase.

The electric cooperative offers rates 11% lower\*\* than Georgia Power and a **99.98%** reliability rating.

**Now, that's value!**

\* Based on the average electricity used by GreyStone Power residential members in 2020.

\*\* According to 2021 rate survey by the Georgia Public Service Commission. Based on 1,000 kilowatt-hours monthly residential use.

GreyStone Power celebrates making life better in the communities we serve for 85 years!

This could be you on Oct. 9 at GreyStone's Annual Meeting of Members.
