## GREYSTONE POWER CORPORATION

*An Electric Membership Corporation*

## QUALITY *Power*

YOUR COOPERATIVE IS FOCUSED ON PROVIDING THE MOST RELIABLE POWER POSSIBLE, FROM MAINTAINING OUR RIGHT-OF-WAY TO UPGRADING OUR OUTDOOR LIGHTS TO LEDs. WE RECENTLY COMPLETED A BRAND-NEW SUBSTATION TO CONTINUE TO IMPROVE OUR ELECTRIC SYSTEM, AND WE TRIMMED VEGETATION FROM 500-PLUS MILES OF POWER LINES LAST YEAR ALONE.

## SAFETY MINDED

EVERY DAY, GREYSTONE POWER EMPLOYEES WORK TO KEEP OUR ELECTRIC SYSTEM SAFE FOR THE COMMUNITIES WE SERVE. THIS IS AN INTENTIONAL PART OF OUR JOBS AND SOMETHING WE DO NOT TAKE LIGHTLY. YOU CAN REST ASSURED THAT GREYSTONE HAS YOUR BACK.

## SPURRING ECONOMIC DEVELOPMENT

GreyStone Power is here to serve you. One way we do that is by supporting economic development in the communities we serve. With more than 3,500 commercial members, your co-op is focused on retaining existing jobs and attracting new ones in our eight-county service area.

Multiple new businesses have been announced in our service territory over the past year.

Crown Health Care Laundry Services, a business that provides hygienically clean linens to the health care sector, recently came on GreyStone's lines.

Crown will have 50 to 60 employees at startup. They should have approximately 180 employees when they reach full production in 18 to 24 months.

Amazon is another company that receives electricity from GreyStone. Their newest facility is powered by the co-op. This site is a 166,650-square-foot facility, which is expected to use 1.4 megawatts (MW) of power.

"GreyStone is proud to have the opportunity to serve these businesses and help promote economic growth," says Gary Miller, president/CEO of GreyStone.

Outside of providing electricity to commercial members, GreyStone nurtures the economy through the work of its employees. Miller is a member of the Development Authority of Douglas County. GreyStone Vice Presidents Nadia Faucette and James Wright both serve on the boards for the chambers of commerce in Douglas and Paulding counties, respectively.

Supporting economic development is just another way GreyStone is making life better!
