**INSTRUCTIONS FOR SERVICE  
REQUEST  
REGARDING MEMBER  
NO LONGER IN EXISTENCE**

This Application is used to request that GREYSTONE take an action that affects the rights of a **former member entity which has been dissolved or otherwise no longer exists under Georgia law** (referred to as "Entity"). Examples of entities are corporations, limited liability companies and unincorporated associations like community associations or partnerships. GREYSTONE may deny any or all actions requested in this Application.

**Directions:**

- Print legibly in blue or black ink.
- **Item 1:** list the full legal name of the former member Entity. (This should be the exact legal name as listed in the records of the Georgia Secretary of State, at <http://sos.georgia.gov>. If this name differs from the name on the utility account, please explain.)
- **Item 2:** List the full legal name, address, and phone number of the person(s) or entity making the application, referred to as "Applicant."
- **Item 3:** Check the box(es) indicating all actions which are requested.
- **Item 4:** Provide a current address for each person or entity listed in response to Item 3.
- **Item 5:** Check the Entity's type of organization. (This should also match the records of the Secretary of State.) If not listed, check box (Other) and state the organization type. Also, check the (former) office or capacity in which Applicant served for the Entity.
- **Item 6:** Indicate the circumstances

surrounding the Entity's dissolution or termination. Check **ONLY ONE** box in Item 6. Refer to the Secretary of State's website for assistance determining the description and for copies of the required documentation.

- **Item A:** Check if Entity was dissolved. An entity can be dissolved administratively (when the company fails to maintain current filings with the Secretary of State), voluntarily (when the company requests to be dissolved), or judicially (when a court orders dissolution). You **MUST ATTACH** a copy of the Certificate of Dissolution or Termination, or a printout from the Secretary of State's website showing the corporation was dissolved.
- **Item B:** Check if Entity was an unincorporated association (e.g., partnership or limited partnership) which has been terminated. ATTACH a copy of the Certificate of Cancellation of Certificate of Authority OR explain why this is unavailable. It is a valid explanation that the Entity never filed anything with the Secretary of State.
- **Item C:** Check if no other selections in Item 6 apply. Explain why the Entity no longer exists & provide supporting documents, if available.
- **Item 7:** This item asks information about the Entity's sale of assets or stock as a way of transferring ownership of the business. If the Entity sold all its assets or the entire business, you **MUST ATTACH a copy of the sales contract or bill of sale** or other appropriate documents. Also indicate whether the Entity sold all assets or just a portion of assets in items 7-C (i) and (ii).

**NOTE:**

Where more than one person or entity is to receive a payment under the Application, GREYSTONE may issue a single check so long as the total payment is under \$2,000.00.

GREYSTONE may, in its discretion, submit this Application to the Cooperative's legal counsel for approval or counsel.
