ANNUAL MEETING OF MEMBERS

To protect the health and safety of GreyStone Power's members and employees, GreyStone's 2020 Annual Meeting of Members will be held virtually, with no in-person meeting or event. The virtual meeting will be posted at greystonepower.com/annualmeeting for members to view on Saturday, Oct. 10, 2020, at 9 a.m., and will be available any time after that for members tuning in later.

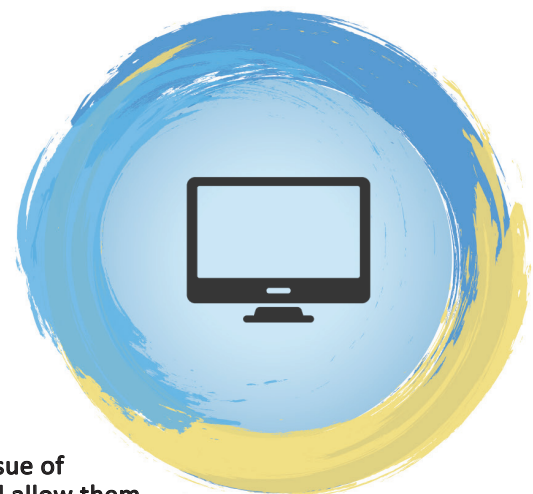

Members have a voice in the operation of their electric cooperative through the election of directors. Three positions on GreyStone Power's Board of Directors are elected by members annually to serve three-year terms of office.

All members will receive a ballot in the September issue of *Georgia Magazine* that will allow them to vote on three contests: the contested election for District 2, and the uncontested elections for Districts 6 and 7. Members will also vote on the approval of the 2019 Annual Meeting Minutes, which can be found on the Annual Meeting webpage.

The results of the election will be announced in the virtual business meeting on Oct. 10. Due to this year's virtual meeting, all questions and comments from members can be submitted on the Annual Meeting page by Sept. 11, 2020.

Members whose ballots have been accepted will be entered into a drawing for 50 door prizes. Any ballots received after 5 p.m. on Oct. 5, 2020, will not be counted.

Thank you for your participation in the business of your cooperative!
