POWERING OUR COMMUNITY

REAL POWER COMES FROM MAKING LIFE BETTER. FROM ATTRACTING NEW JOBS, TO SHOPPING DISCOUNTS; FROM PARTNERING WITH AREA SCHOOLS, TO HELPING NEIGHBORS THROUGH OPERATION ROUND UP, GREYSTONE IS YOUR COMMUNITY PARTNER.

Give blood, honor a fallen lineman

GreyStone Power will host an American Red Cross blood drive on Wednesday, Aug. 30 from noon until 5 p.m. Open to the public, the drive will be held in GreyStone's auditorium at the Douglasville headquarters, located at 4040 Bankhead Highway.

The co-op hosts four blood drives each year in honor of former lineman and Paulding County resident Travis Allen, who died in October 1995 as a result of injuries sustained while working to restore power after Hurricane Opal. His life was one of 10 claimed by the hurricane in Georgia. When Hurricane Opal's fierce winds and water veered farther into the state than anyone could have imagined, a state of emergency was declared in 45 Georgia counties. Power lines and trees were broken and toppled by the winds. GreyStone received assistance from many other co-ops throughout Georgia to restore power.

GreyStone Benefits Administrator Tonya Milligan said, "GreyStone brings in the Red Cross as a way to honor Travis Allen, who lost his life while serving others. We host these blood drives to save lives and continue a legacy of partnering with our community." The co-op has held 84 blood drives over 21 years to honor Allen.

Givers may donate whole blood once every eight weeks (56 days), and must wait 16 weeks (112 days) if donating double red blood cells.

To schedule an appointment, contact Milligan by email at tonya.milligan@greystonepower.com, or you may register online at redcrossblood.org, using sponsor code: greystone. For more information on eligibility requirements, visit redcrossblood.org.
