SOLAR BLOCKS NOW AVAILABLE!

Great news! We now have more cooperative solar blocks available for you to purchase. Participating members pay just \$25 each month per block (maximum of two), and depending on weather and seasonal conditions, receive credits for the vast majority of their purchase.

GreyStone's successful Cooperative Solar launch at last year's Annual Meeting led to all 750 available blocks being sold out within a month of the rollout and a waiting list of over 200 members desiring to purchase blocks. With GreyStone's purchase of 1 megawatt (MW) from a solar facility in Hazelhurst, more blocks are now available, and all members on the waiting list have now been enrolled. But when those additional 750 are sold, no more blocks will be available until additional resources come online.

It's easy to sign up! New participants can sign up online now by visiting our website at greystonepower.com/solar. Participating members pay \$25 each month per solar block and receive a credit for their solar-powered generation. This solar generation credit will vary due to the sun's angle, the time of year, the number of cloudy days in the month and other factors. Participants can expect to get the vast majority of the money they have invested returned through the credits.

Commissioned by Green Power EMC, the renewable energy cooperative owned by GreyStone and 37 other electric cooperatives in Georgia, the Hazelhurst solar facility is one of several renewable energy projects supported by GreyStone throughout Georgia.

VISIT US AT WWW.GREYSTONEPOWER.COM TO LEARN MORE!

You can win \$2,000!

There's never been a better time to go paperless. Sign up for paperless e-billing, and you could win \$2,000, \$500, or \$100! Three lucky GreyStone winners will be drawn on Oct. 18, Nov. 15 and Dec. 20. Visit the GreyStone member portal to sign up. To be eligible, you must agree to stay on paperless billing for at least one year. It's easy! It's convenient! And it's free! Think GREEN, and do your part to help the environment.

Nine lucky members will take home a total of \$7,800 for signing up for paperless billing. Don't miss out on your chance to win!

Why Pay More?

EMC Security's Mobile Emergency Alert Button works anywhere there's cell service, inside or outside your home! Enjoy your active lifestyle with confidence that help is just a press of a button away.
