

GREYSTONE POWER CORPORATION

**SCHEDULE "WWC"
WALLET WATCH CREDIT**

Effective Billing Rendered June 1, 2021

AVAILABILITY:

Available in all territory served by the Corporation, in accordance with the Corporation's Service Rules and Regulations.

APPLICABILITY:

Applicable for any metered account which is subject to Schedule WPCA

REVENUE ADJUSTMENT FACTOR:

The WWC is a per kWh CREDIT applied to all metered consumption for applicable accounts. The WWC may be \$0.00 or less, but may never be an additional charge to the consumer. The CREDIT calculated under this schedule is subject to change from time to time in such an amount as may be approved by the GreyStone Power Corporation Board of Directors as being in excess of revenue needed to meet the Corporation's expenses and maintain a reasonable financial condition.
