

CO-OP CONNECTIONS CO-OP CARD

BUSINESS LISTING | JULY 2016

Connecting our members to value every day.

Big savings with a little card...Co-op Connections® Card!

At GreyStone Power, we believe it's our business to look out for you. That's why we participate in the Co-op Connections® Card (CCC) program. Through this powerful little discount card, you have saved over \$2.1 million in prescription savings at your neighborhood pharmacy, in addition to everyday savings on dining, entertainment, groceries, health products and services, retail, travel and services in and around your home or business!

The CCC is easy to use and will provide valuable discounts from both local and national retailers. Simply present the card at the time of purchase, and voila ... discount!

New offers are listed in every newsletter, so be sure to keep this edition for a ready reference of local savings! You can also stay up-to-date with the local offers by downloading the CCC mobile app, available on both iTunes and Google Play.

The CCC app is easy to use and ready to show discounts closest to you, even as you travel to other states! With the touch of a finger, you can find deals with the use of Google maps and get directions for a specific deal.

Recent updates to the mobile app now allow you to find Healthy Savings providers, including participating pharmacies, based on your geolocation or by a specific ZIP code! For specific prescription information, including the estimated cost, visit rxpricequotes.com or call 1-800-800-7616.

Want to start saving and need a card? Call us at 770-370-2273 to request yours!
