# We've got YOU covered

As a member of GreyStone Power, your key needs are covered by outstanding services. In addition to **affordable and reliable electricity**, you're eligible for:

A special discount off **Gas South's** already low rates on natural gas. No deposit required and up to \$25 bill credits for enrolling online. Use promo code 510.

Membership in **GEMC Federal Credit Union**, including a full range of financial services, from free basic checking and more than 30,000 surcharge-free ATMs, to affordable home and auto loans. We are here to help you afford life. Insured by NCUA. 

State-of-the-art home and business security systems from **EMC Security**. You can get started with a free estimate and on-site consultation. You can depend on EMC Security. GreyStone Power's own EMC Security responds immediately in case of an alarm event because we know that every moment counts. Monitoring for only \$16.95 per month.
